HER WILD LIFE EXPEDITION TO
KODIAK, ALASKA

AUGUST 16 - 20, 2027

KODIAK, ALASKA - AUGUST 16-20, 2027

DAY 1 - ARRIVAL TO CHINIAC

Plan to arrive in Kodiak by 4 p.m. We'll meet you at the airport and head out to Chiniak, where you'll settle into Cama'i House, your home for the next four nights. Take a moment to look around, claim your room, and meet the women you'll be sharing the week with. Then we'll gather for our first dinner together to toast to new adventures. Each night, we'll keep an eye on the aurora forecast, hoping for clear skies.

Accommodations: Cama'i House, Friends by the Ocean

Meals: Dinner

DAY 2 - A WHALE OF A TIME ON THE WATER

After breakfast, we'll head to the harbor and board our boat for a full day on the water. With plenty of deck space and a spacious cabin, you'll have great views from anywhere on board, perfect for wildlife watching and photography. Our route explores the archipelago in search of whales, sea otters, sea lions, puffins, and with any luck, Kodiak bears along the shore. Lunch, snacks, and beverages are provided. We'll return to Chiniak for dinner and an evening of swapping stories.

Accommodations: Cama'i House, Friends by the Ocean

Meals: Breakfast, Lunch, and Dinner

DAY 3 - EXPLORING BY VAN AND ON FOOT

Today is for the road system, and we're joined by Michelle Theall, writer, photographer, and editor-in-chief of Alaska magazine. Michelle lives on Kodiak half the year, so she arrives with the latest intel on where the wildlife has been. We'll spend a full day exploring Kodiak's wildlife hotspots by van, with nature walks along the way. We'll watch for foxes, eagles, and fishing bears, and we never know what's waiting around the next corner. Dinner is back at the house, where we'll compare notes on the day's sightings.

Accommodations: Cama'i House, Friends by the Ocean

Meals: Breakfast, Lunch, and Dinner

DAY 4 – CLOSER TO SHORE, THEN A SLOW AFTERNOON

This morning we're back on the water for a shorter cruise that keeps us close to shore, where sea otters, puffins, and whales are often easiest to find. Every day on the water is different, and this cruise gives us another chance to see what Kodiak has in store. In the afternoon, take your time. Explore the beaches near the house, unwind at the wellness center, or simply sit by the lake and let the week settle in. We'll gather in the evening to freshen up and share a farewell dinner.

Accommodations: Cama'i House, Friends by the Ocean

Meals: Breakfast, Lunch, and Dinner

DAY 5 – IT'S NOT GOODBYE BUT SEE YOU LATER

It's our final morning in Alaska. We'll spend it on one last road tour with Michelle, hoping for bears and looking for the other wild neighbors we've come to love. Then we'll share a final lunch together before heading to the airport. Please plan flights home after 1 p.m. It's not goodbye, but rather see you later.

Meals: Breakfast and Lunch
