YELLOWSTONE - OCTOBER 3-8, 2025

DAY 1 (Fri, Oct. 3) - ARRIVAL TO MONTANA

Welcome to Montana! After arriving at Bozeman Yellowstone International Airport (BZN) this afternoon, you'll kick off your adventure with a scenic drive to Gardiner, the charming gateway to Yellowstone National Park. This evening, get ready for a delightful welcome dinner where you'll meet your fellow adventurers and start forging connections that will make this journey unforgettable.

Accommodations: Yellowstone Big Rock Inn

Meals: Dinner

DAYS 2-5 (Sat., Oct. 4 -Tues., Oct. 7) - IMMERSE IN YELLOWSTONE NATIONAL PARK

And now, your feature presentation: Get ready for an immersive, four-day adventure through Yellowstone's jaw-dropping landscapes in search of iconic wildlife, all from the comfort of your very own custom safari van, the Roaming Bison.

In Lamar Valley, often called the "Serengeti of North America," you'll be on the lookout for the park's legendary Big 5: bears, bison, elk, moose, and wolves. But wait, there's more! Yellowstone is a bird lover's dream, with corvids, raptors, and waterfowl thriving throughout the year.

And let's not forget the park's geothermal wonders. You'll marvel at famous geysers, steaming hot springs, bubbling mud pots, and dramatic steam vents that seem to come straight from another world. From early morning wildlife safaris to awe-inspiring geothermal wonders, each day promises to leave you speechless (and probably more than a little obsessed with Yellowstone).

Accommodations: Yellowstone Big Rock Inn

Meals: Brunch daily and a farewell dinner on Oct. 7

DAY 6 (Wed., Oct. 8) – HAPPY TRAILS - UNTIL WE MEET AGAIN

On our final morning together, there's still time to soak in the beauty of Yellowstone's surroundings with one last wildlife safari before we head back to Bozeman for the journey home.

Take a moment to reflect on the memories and friendships you've made along the way. After all, there's nothing like experiencing nature's wonders with an amazing group of women by your side.
